NEW REGISTRATION PROCESS FOR 2016 SEASON:

FAMILY ID will open for all JV-Varsity sports on 7/15/16. Registration will close August 5th to allow the nurses enough time to approve all the athletes. When scheduling your team informational meeting please keep in mind, you should give the nurses at least one week to complete the approvals. So if registration closes on the 5th that is the deadline you should tell your players.

7th and 8th Graders looking to play up: The App process (selective classification) will take place with Dr. Kosmas on 8/8/2016 at 0730 in the CNS Health Office. Physical endurance testing will take place on 8/8 and 8/9 with Ann Lauretti at CNS gym. Please allow enough time to complete this process. Packets are in the athletic department and must be signed by Tim Bednarski and the parent. After the packet is signed by the parent the coach will then complete their evaluation and signed packets must be returned directly to Tim by August 3rd. If they pass the endurance tests and physical then they will proceed to try-outs.

Season Try-Outs for JV and Varsity ONLY are Monday, August 15th thru Wednesday, August 17th.

FAMILY ID will open for Modified players on 8/5/16. .
